

# “MPL” Power LED Mini Converter

## Converters for High Brightness LEDs

- Built-in converter - IP20 - Insulation class III
- Suitable for supplying 1 - 3W High Brightness LEDs - Connection in series
- Output in steady current: 350mA,  $\pm 10\%$
- Self-resetting protection against over temperatures, open circuits and against output short circuits.
- Input voltage: battery - Steady output

Model	LED		Output		Dimensions			Part Number
	min	max	I max	V max	A	B	C	
MPL 1	1	1	350mA	12V	2.0" x 1.3" x 0.7"			1.8 oz.
MPL 3	2	3	350mA	12V	2.0" x 1.3" x 0.7"			1.8 oz.
