

“MIP” Maxi Power Design IP65 LED Module Converter

Driver for LED modules

- Independent driver IP65 Insulation class II
- Output in steady voltage, 12V or 24V $\pm 10\%$
- Self-resetting protection against over temperatures, open circuits and against output short circuits
- Input voltage: 100V/AC - 265V/AC Steady output
- Power factor: 0.96

Model	Output V	Output I	Dimensions			oz.	Part Number
			A	B	C		
MIP 60	24V	2500mA	8.1"	2.0"	1.4"	17.6 oz.	QT-MIP06000N
MIP 40	12V	3300mA	8.1"	2.0"	1.4"	17.6 oz.	QT-MIP04000N

Installation Example
